

Butterfly, Butterfly

Written by Jan Warren

Butterfly, butterfly,
laying lots of eggs.

The eggs hatch caterpillars
with short, stubby legs.

Caterpillar, caterpillar,
eating 'til you're big.

Then walking very slowly,
you hang from a twig.

Sleep now, and change,
but very, very soon...

Caterpillar, caterpillar,
you changed, you didn't die.

You grew wings, and long legs,
to become a beautiful butterfly!
