Dog, dog, what do you see?
I see a lion mask looking at me.

Dog, dog, what do you see?
I see a lion mask looking at me.

Lion mask, lion mask, what do you see?
I see a dragon following me.

Lion mask, lion mask, what do you see?
I see a dragon following me.

Dragon, dragon, what do you see?
I see Na* looking at me.

Na, Na, what do you see?
I see an envelope with wishes for me.

Na, Na, what do you see?
I see an envelope with wishes for me.
