

## Wonderful Word Signals

### **Sequence Signals**

first, second, third  
then, before, after  
first, next, last  
since, during, while  
now, later, after

### **Continuation Signals**

and, again, also  
first of all  
in addition  
and finally  
last of all

### **Time Signals**

when, lately, finally  
at the same time  
once, during, now  
little by little  
before, after, earlier

### **He Said/ She Said**

argued, gasped, lied  
joked, said, shouted,  
yelled, whispered, told,  
teased, reported,  
cried, called, asked
